

CMPT 276 – Group Project Meeting Notes

Meeting #3

Date: February 10, 2026

Attendees: Jack, Yuvraj, Gurneet, Isirak, Hayman

Meeting Notes:

- I.** Welcomed Hayman! Hayman will be joining the front-end team :)
- II.** Discussed proposal
 - a.** Reviewed UI details + LFP/MFP workflow
- III.** Created text and voice channels on Discord
- IV.** Discussed timeline for proposal completion

To Do:

- Review proposal and make any changes necessary
- Front-end team will create LFP which will then be transitioned into MFP
- Back-end team will finalise project structure/system requirements section of proposal
- Ask professor if ALL communication must happen in private Discord channel within course server

Next Meeting: Scheduled for February 24th at 4:30pm in SRYE 3002

- Discuss iteration 1 and timeline
